Maximize Your Benefits with Preventive Care

Who wants the hassle of rollovers, savings accounts or benefits tracking? Preventive Care is one way that you can easily stretch your benefit dollars, so you can use them for other covered services.

How it works:

With Preventive Care, all covered diagnostic and preventive dental services do not count toward your annual plan maximum. Depending on the plan design, these services may include cleanings, exams, x-rays, fluoride treatments and more. It is available from day one—no waiting until the next plan year.

Assume 100% Coverage for Diagnostic or Preventive Services and \$1,000 Annual Maximum

2 Exams	\$0	\$66	\$808	\$1,000
1 Set of X-Rays	\$0	\$40	\$768	\$1,000
Total	\$0	\$232	\$768	\$1,000

For illustrative purposes only. Assumes services provided by Advantage Plus or Advantage Plus 2.0 network dentists; savings will vary by dentist, service and geographic region.

Creating a Healthier Louisiana

Founded in New Orleans in 1934, [Blue Cross and Blue Shield of Louisiana](#) is the oldest and largest Louisiana health insurer. Together with our subsidiaries, HMO Louisiana and Southern National Life, we cover more than 1.9 million members, providing group and individual health insurance plans, life insurance, group voluntary products and administrative services for self-funded groups. We also provide Medicare supplement and Medicare Advantage plans, and partner with Healthy Blue to offer a Medicaid managed care plan.

We are committed to our mission to improve the health and lives of Louisianians. We invest both time and money in the health and well-being of Louisiana communities by supporting more than 200 charitable organizations and volunteering thousands of hours of service. We have been recognized for the past five years as an honoree of The Civic 50, named by Points of Light as one of the 50 most community-minded companies in the United States.

Operating solely in Louisiana, Blue Cross is a nonprofit, fully taxed mutual company, owned by policyholders—not shareholders. We are an independent licensee of the [Blue Cross Blue Shield Association](#). Because we are Louisiana-owned and operated, our focus is local—on our home.
