

# Burdened by cough, cold, fever, pink eye, mild stomach bugs, rashes, flu symptoms, etc.?

***Skip the waiting room and get the care you need now!***

Get treatment for these and other non-emergency, common illnesses with BlueCare! You can have online visits 24/7 with board-certified, U.S.-trained physicians, on any device with internet and a camera.

You can also use BlueCare to schedule online appointments with behavioral health providers to treat anxiety, depression, stress, grief, coping with life transitions and more.

***Registration is easy!***

Go to **www.BlueCareLA.com**  
or download the BlueCare app.

## BlueCare

*Get care from anywhere!*

SCAN  
AND TRY  
BLUECARE  
TODAY!

## **BlueCare** *costs less than going to the ER or urgent care clinic.*

Before you have a medical or behavioral health visit, you'll be able to see what it will cost. You can use any major credit card or HSA and FSA cards to pay for BlueCare. Your card will not be charged until you've had your online visit.

---

BlueCare is offered through your employer-sponsored health plan, and is available to medical plan members and covered dependents.
