## Retired Policy

### Gene Expression Profile Testing and Circulating Tumor DNA Testing for Predicting Recurrence in Colon Cancer

Policy # 00257

Original Effective Date: 04/13/2010

Retired Date: 07/01/2024

Gene Expression Profile Testing and Circulating Tumor DNA Testing for Predicting Recurrence in Colon Cancer was retired effective 07/01/2024.

A retired medical policy is no longer active and is not utilized for coverage eligibility determination or claims processing as of the retired date.

This medical policy is being retired as a part of the collaborative partnership with Carelon MBM Genetic Testing Program. Carelon will provide genetic testing management services to ensure enforcement of genetic testing policies effective 07/01/2024.
